Dear Mother & Folks

Still on this side of the water. Bet you got pretty excited when you read where we left from. We were schedule to go on that boat but at the last minute things were changed. They all say we will be home by Christmas but there are alot of fellows with over 90 points still here so I don't put any faith in it

Guess alot of the boys are getting home. If you see Tommy McCarthy ask him if he was in Marseille about the last of Aug. Thought I saw him walking down the street but lost him in the crowd.

I think we are to go

about Johny Wilkie. He was
a swell friend & am sure
he will be missed

Had a letter from Frank
yesterday. He is now at Camp
Campbell Ky waiting for a
discharge. Said he would be up
to visit afterwards. He was
looking for a letter from you.
Has the same address except
for the P.M. It is now Camp
Campbell Ky. Had a letter
from Milt. He doing great &
loves those letters of yours
Hope the kids are all fine.
Must close for now. Close
write soon

Love, Ky. Dick
